*"Woven Together in Oneness"*

Linda McDaniel  
Native American Ministries

Come and be blessed by the beautiful sounds of the flute calling us into the Presence of God as we join together, and with nature, in oneness to worship and praise our loving Creator. Guest minister Linda McDaniel will bring spiritual insight from her work in Native American Ministries for 35 years. Linda's heritage includes Lakota, Cherokee, German from the Cheyenne Sioux Reservation and Choctaw ancestry. Linda serves in the priesthood office of Seventy and is a member of the First People Community of Christ Turtle Island non-geographical congregation.
