Each day we will have class in the morning and a workshop in the afternoon with games (feel free to bring your favorite) always available in the dining hall and hopefully a couple of nature walks thrown in. (So, bring your talent, skits, musical instruments and belly laughs.) A sack lunch will be available for your trip home.

We are so blessed and excited about our guest minister. Molly (Bagley) Wilkins grew up attending North Pensacola Community of Christ. She worked in medical case management for eleven years before deciding to pursue ministry full-time. Molly has a Master of Arts in Religion from Community of Christ Seminary at Graceland University and a Master of Divinity from Candler School of

Theology at Emory University. While at Candler, Molly's primary studies were in the areas of Chaplaincy, Biblical Interpretation, and Justice, Peacebuilding, and Conflict Transformation. She also spent a year serving as a Chaplain Intern at the Helms Facility, a prison medical facility in Atlanta, GA.

Molly and her husband, Jim, live in Santa Ana, CA with their dogs Nira and Mr. Darcy. She currently works as a Community Engagement Minister for Peace and Justice with the Pacific Southwest International Mission Center. She is also serving as the Pastor for the Orange Community of Christ congregation in Orange, CA. Molly was recently elected to be President of the Board of Directors for Harmony, a non-profit organization that works alongside Community of Christ.
