

Resolution to Carry Deerhaven Board of Directors into 2021

Whereas the COVID-19 pandemic has caused group events to be canceled for most of 2020;

Whereas the lack of events has caused a severe budget short-fall and caused the Deerhaven Board of Directors to manage the resources of the campground to get through the pandemic;

Whereas current world church guidelines prohibit the gathering of the annual Deerhaven Campground fall conference; and

Whereas the bylaws of Deerhaven Campground require in-person voting when conducting conference business so that the conference will be unable to elect new board members this fall; now therefore be it

Resolved that the 2020 Deerhaven Board of Directors will continue to serve in 2021 regardless of when board member terms expire so that Directors may continue to manage the campgrounds during the pandemic;

Resolved that the current elected board positions of Chair, Vice-Chair, and Treasurer will continue into 2021 as elected members are able and willing to serve, regardless of when terms expire; and

Resolved that an election will be held to replace any Board of Directors with expired terms at the next in-person campground conference.
