

A note from our doctor...

Due to how significantly the flu impacted our reunion experience last year, we are requesting that anyone developing a fever, cough, flu, or cold symptoms just prior to the start of reunion, please stay home. If you inform us we will *fully refund* your registration fees and will also send you a copy of Andrew's material to read while you recuperate. We will also be checking temperatures at check-in to help ensure we have the healthiest reunion possible.

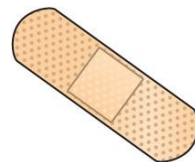

**Thank you,
Dr. Mark**
